

La Massa 2019 I.G.T. Toscana

La Massa IGT 2019 is a blend of 50% Sangiovese, 30% Merlot and 20% Cabernet Sauvignon, Alicante Bouschet and Petit Verdot.

The 2019 vintage was characterized by a generally regular climate. After a winter with sporadic rain accompanied by temperatures between zero and about 10 ° C, spring began with a marked change in rainy days that enriched the soil with the fundamental water resource to overcome the summer temperatures. The increase in temperatures allowed for regular germination. The hot summer, with some precipitation, encouraged the growth of the plants and the subsequent ripening of the regular bunches with optimal phenological development.

The harvest began in the second part of September and ended in mid-October. The cool temperatures allowed us to lengthen the maturation times, thus preserving great finesse and aromatic freshness.

Fortune, but more so educated choices, contribute to obtaining wines of great balance with excellent polyphenolic concentration. Choices such as: patience; waiting for the perfect ripeness along with the excellent combination of temperatures and rainfall, skillful management of maceration and the use of French oak barriques; characterized by a first period of about 10 months, in which the wine is kept in contact with the fine lees, maintained in activity by frequent batonnage.

Bottling took place in a single solution starting from April 2022.
The 2019 vintage produced about 120.000 750 ml bottles.

La Massa 2019 is characterized by a crystalline color; fresh notes of red fruits are perceived on the nose, followed by a lively balsamic and a marked cleanliness. On the palate it has a good acidity with fine, well-smoothed tannins with a savory note characteristic of our soils and good persistence.

Alcohol content	13,5 %
Total acidity	5,01 g/l
pH	3,62
Net dry extract	29,7 g/l
Total polyphenols	2924 mg/l

I.G.T. Toscana

LA MASSA, the first wine produced, is a representation of the estate's growth and research. Here Sangiovese marries beautifully with Cabernet Sauvignon and Merlot.
